About the Vanderburgh County Medical Society
For over 170 years, the Vanderburgh County Medical Society has been a friend and a voice for Vanderburgh County physicians. The VCMS is an active community of Tri-State-Area physicians that connect and build relationships with their colleagues to enhance the health of the community.

Indiana University School of Medicine - Evansville Scholarship
The Vanderburgh County Medical Society values its close working relationship with the Indiana University School of Medicine – Evansville Campus. It is important to the VCMS to support the IUSM-E medical students to advance their education. The proceeds of this golf scramble will provide scholarships to help relieve the students’ substantial financial burden of obtaining a medical degree. When you sponsor or participate in this event, your support will assist a student that otherwise might not have funds to further their education.
Thank you for supporting the VCMS and medical student scholarships at Indiana University School of Medicine-Evansville.
